**EXTRA-CURRICULAR ACTIVITIES**

**Organized School Farewell , Nagpur**

MAY 2022 — JUNE 2023

I took on the task of organizing the school farewell, eager to make it a memorable and enjoyable experience for all involved. I began by determining the date, time, and venue for the event, considering the schedules of students, staff, and any outside vendors or performers.

I created a budget and allocated resources for food, decorations, entertainment, and other expenses. I invited alumni and special guests to add a special touch to the event.

I obtained all necessary permits and licenses and made arrangements for parking, security, and medical services if needed. I communicated regularly with all stakeholders to ensure that everyone was aware of the plans and their responsibilities.

On the day of the event, I managed the logistics, provided direction to volunteers, and made sure that everyone had a memorable and enjoyable experience. The school farewell was a huge success, and I was proud to have been a part of it.
